

TENNYSON DUNES OPEN DAY

Sunday 28th September 2014 11am - 2pm

Take a walk with renowned author and Australian native plant expert, *Neville Bonney*. He will talk about the ways Aboriginal people used native plants before European settlement.

Learn about the unique plants, animals and birdlife of the dunes and what we are doing to conserve them. Experts will be on hand to answer questions about the dunes. We will have plants to give away and the West Lakes Kiwanis will host a sausage sizzle.

*Walks leave from the Tennyson Dunes car park,
Military Road, Tennyson, bus stop 32A.*
